Baby Octopus Slide is one of the most popular products from Polin. Baby Octopus Slide provides a pleasant, safe, and fun ride for the kids. Baby Octopus Slide will quickly become a memorable slide for the children with its colorful and attractive design.

An octopus has never been so funny. We have created a uniquely colorful play area for children in the pool. It has six arms – three used as slides, three as stairs – and has a big mushroom instead of a head. If you want to see your pool as the favorite place for children, the Octopus slide would be an ideal addition to your park. With holes and spaces underneath it, the Octopus is a perfect fun place for children. With its beautiful and colorful view, this attraction will make your dreams come true and will surely be the kids' favorite attraction in your park.

# MINI PIRATE SLIDE

Chimelong Waterpark, Guangzhou - **China**

patented

Aquasplash Marineland - **France**

Some time ago, Polin had introduced an interactive play center with a pirate theme, decorative animation articles, and numerous waterslides of different colors and types. This structure has recently become one of our most popular products. Due to space constraints, many clients demanded a more compact Pirate Ship that can fit into any pool, whether residential, municipal, etc. Polin listened and worked on an alternative. We came up with a creative new design that meets exactly what our clients needed and requested. The Mini Pirate Slide: mini kids slide with a pirate theme that delivers fun, safety, function, comfort, innovation, capacity, entertainment, and easy operation and maintenance. It is very easy to ship and install, and even more importantly, it can fit into pools with space constraints.
